September 9 meeting reported in last Newsletter. Next meeting Wednesday October 15.

Please Note the important things happening next week in Downtown. This is the last chance with this council for the New Main Library. **Also note** that the homeless winter shelter is liable to be downtown again unless you come to the Council Meeting on Tuesday, Oct 13 at 2 PM. We are sure the other neighborhoods suggested will turn out in force to try and influence the decision.

Run, Vote

The Centre City Advisory Committee (CCAC) is our Community Planning Group. It advises the CCDC Board, Redevelopment Agency, City Council, Port Commission, and Board of Supervisors on issues affecting Downtown. One Wednesday night a month, plus a little reading, is not much to give to have an influence on how we live in Downtown. Think hard about running for a seat as noted on the Front Page. CCAC members may also represent Downtown on the Balboa Park Committee and

the Community Planners Committee.

FYI.

The City Council approved the Comprehensive Parking Plan for Downtown and the Budget committee approved sending the tools to implement the plan to the Council.
